

2025

Catchment Management Plan 2 Priorities & Vision Day

Tuesday 22 April

Brechin Mechanic's Institute, Brechin

The River South Esk Catchment Partnership invites you to join an engagement day on Tuesday 22 April, 2025 to help identify and develop a set of priorities and vision for the River South Esk Catchment Management Plan 2. This public session will complement further consultation taking place until 30 June 2025.

How to get involved...

Morning

The day will include a morning Priorities and Vision workshop
Running from 10am – 12.45pm, space is limited and can be booked **HERE**

Afternoon

An afternoon drop-in session will run from 1.30 – 5.30pm at which, the River South Esk Catchment Partnership, partners and communities will be sharing information on projects taking place in the catchment. The session is an opportunity for communities to shape priorities, that will inform Partnership aspirations and the River South Esk Catchment Management Plan 2.

We look forward to seeing you there
